We, the undersigned, acknowledge that we have read and agree to abide by the Competition Rules outlined on the Gore Curling Provincial Championships website

- We also understand that the Gore Mutual Ontario School Curling Championships has traditionally been an event where team athletes consist of the same biological sex gender. We also understand that the Gore Mutual Ontario School Committee believes in equal opportunities for all student athletes to participate in this event and this includes members of the LGBTQ community. We understand that a student's self-identification shall be the sole measure of gender identity. By checking this box, the school acknowledges that this team entry consists of an individual(s) who has(have) declared themselves as transgender and that said student(s) have played on school teams only as one self-identified gender for the current school year.. By registering the school agrees that the student athletes on the team, parents and school officials are aware of the situation and that all members of the team shall be billeted in the same residence should the team qualify for Provincial Championships. Team billeting is an important aspect of the Provincial Championships and the Gore Mutual Insurance Company, the Gore Mutual Ontario School Curling Committee and anyone associated with the hosting of the event shall not be held liable for any incident arising from this billeting process where different biological sex genders are housed in the same location..
